Alcatel-Lucent 1AZ565750001 Datasheet

Alcatel-Lucent 1AZ565750001 GiGE TX Copper RJ-45 Optical Module

1AZ565750001

Alcatel-Lucent 1AZ565750001 GiGE TX Copper RJ-45 Optical Module

This Alcatel-Lucent 1AZ565750001 SFP transceiver supports up to 100m link lengths over a copper connection via a RJ-45 connector. Featuring low power consumption, the hot swappable 1G SFP transceiver is ideal for enterprise networking for LAN applications and different other networking places using copper connections.

Specifications

- Manufacturer: Alcatel-Lucent
- Part Number: 1AZ565750001
- Form Factor: SFP
- Max. Data Rate: 1000Mbps
- Max. Cable Distance: 100m
- Media: Cat 5e/6/6a
- Connector: RJ-45
- Rx LOS: NO
- Power Consumption: ≤ 1W
- DDM/DOM: Not Supported
- Commercial Temperature Range: 0 to 70°C (32 to 158°F)
