

# Cablexa CAB-8087-4xSATA Datasheet

Internal Mini SAS SFF-8087 36P to 4x 7P SATA Forward Breakout Cable, Straight to Straight

CAB-8087-4xSATA

Internal Mini SAS SFF-8087 36P to 4x 7P SATA Forward Breakout Cable, Straight to Straight

Mini SAS technology guarantees performance at 3.0 Gigabits per second. This SAS cable features Mini SAS type SFF-8087 connectors and Internal SATA connectors. This cable connects a SFF-8087 Mini SAS Controller directly to 4 SATA drives.

## Features

- Length: 0.5~1 meter
- Connector A = SFF-8087 (Mini SAS)
- Connector B = (4) SATA (SATA )
- Crossover wiring
- Impedance = 100 Ohms
- High performance 8 pair wire construction
- Exceeds SAS 1.1 and SAS 2 Specification

## Applications

- DATA Center
- Servers, Storage racks, RAID systems
- External Storage Systems

- SAS/SATA HBA interfaces
- Direct-attached storage (DAS)
